Dear Parent,

- The PA1 exam for Arabic, Islamic, UAE SST and Second languages will be conducted after the summer break. Please check the School portal for portions of the above mentioned subjects and kindly prepare your ward for the same.
- Date sheet for PA1 will be sent after the reopening of the School.
- **'Let's Explore this Summer:** Habitat Group assigns holiday homework every summer to help the students to connect to themselves, their family, their values and their roots. This year the theme is 'Let's Explore this Summer' so that they can explore in the safe surroundings and stay at home .Students are briefed by the class teachers on what and how to do it. The School will update you when and where the students have to submit this assignment.
- Along with this there is a class Holiday Homework designed to engage students fruitfully at home which is uploaded in the School portal.
- After the summer break the school will reopen as per the directives of the Ministry of Education. (Intimation will be sent later)

Have a very Safe and happy Vacation!!!

Regards
