## **Exhibition on Math Working Models**

**Day & Date: Monday, 17th January 2022**

**Cir no: HBT ATH / AC GR/27 C/21-22**

**Date: 11.01.2022**

Dear Parents,

Greetings from Habitat School, Al Tallah!!

Here is a chance to know your talents by applying the Math concepts and developing a Math working model. There are many learned concepts and facts in Math, so utilise the same and exhibit it in the form of a Math working model.

Knowing a math concept means you know the workings behind the answer. So make a **Working Model of Math** of your choice and take a short video of the working of the project with explanation and present during the Math class

**Regards,**

**Principal**  
**Ms. Mariyam Nizar Ahamed**
