DIGITAL FEST 2021-22

Dear Parent,

We are pleased to announce that Habitat school Al Tallah will be organizing Digital Fest 2021 on **5th December 2021, Sunday**. The first screening of projects will be conducted in the month of September and second screening in the month of October.

Why Digital Fest?

Digital Fest is a platform for innovative students to showcase their coding and designing skills. It works as an event that enthuses both the school community and the general public about the ways in which innovation is happening at the school level in the students journey from a "user" of technology to a "creator" of technology. Participants will be students from grade 1 to 9.

The competition will be held in 3 different levels. The details of the competition are as given below:
