### ASSET (Assessment of Scholastic Skills through Educational Testing ) SCHEDULE

**Dear Parent,**

The Ministry of Education has mandated CBSE curriculum schools to continue taking up ASSET as per the requirement of National Agenda Parameter across the UAE. It has been mandated that all students from grade 3, 5, 7 and 9 should participate in this external assessment.

ASSET is a **unique test that checks the depth of students' understanding in English, Math and Science.**

**HOW DOES YOUR CHILD BENEFIT FROM TAKING ASSET?**

After the Asset test, your child will receive a personalised comprehensive view of his/her performance, in the Student MyBook, along with detailed insights on his/her strengths and areas that need improvement. **Your child will also get benchmarked with his/her/ peers across the country and internationally, to help them understand where they stand, along with targeted practice questions.**

**Students from Grade 5 to 8 achieving scores of 90<sup>th</sup> percentile and above automatically qualify to participate in the prestigious ASSET Talent Search, a "by invitation only" event backed by some of the top ranking Universities in the US. For more information, please visit [www.assettalentsearch.com](http://www.assettalentsearch.com)**

ASSET papers are designed by subject experts who specialize in designing questions that test understanding of a concept in an interesting manner. This makes the testing experience stress-free and fun for students. **Please note that no prior preparation is required for the test.** Students benefit greatly from the individualized analysis, remedial instructions and questions that they can use to practice at home.

As directed by the Ministry of Education, we are registering our students of grades 3, 5,7 and 9 for ASSET for the academic year 2022-23.

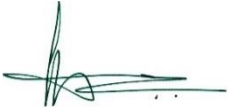

Preparation for ASSET: Though ASSET is a test that does not require preparation, students may visit [www.aqad.in](http://www.aqad.in) to sign up to receive their grade appropriate questions to familiarize themselves with the type of questions asked in Asset.
