### **INTERNATIONAL DIGITAL FEST 2023**

**Dear Parents,**

We are pleased to announce that Habitat Schools are organizing International Digital Fest 2023 (IDF), for the innovative students to showcase their coding and designing skills on 25th January 2023. Students from CBSE schools across UAE have been invited to participate in this event and there is going to be online participation from school students outside UAE as well.

The IDF has various competition categories representing the emerging areas in coding and information technology. The event will serve as a platform for students to innovate in new skills and technologies, as well as network with their peers from different schools.

More than 200 students from various schools are participating in this Mega Event.

Below are the details of the competition and the participating categories as well.
