Dear Parents,

Greetings from Habitat School, Al Tallah!

Here is a chance to improve the critical thinking skills of your wards by applying the Math concepts to find the Math Riddles, solve puzzles and Sudoku.

Math activities will help them to improve the numerical and analytical skills. The Math Department is going to conduct a competition for all grades.

Grade 1 - 2:- Math Puzzles

Grade 3, 4 & 5:- Math riddles

Grade 6, 7, 8 & 9:- Sudoku

The competition will be conducted on 19th May 2022, Thursday during the class hours. Please help your wards to be ready for the competition.

Regards
