### **“Seeker of Knowledge” Initiative by Red Crescent Society**

We are very proud and happy to share that Habitat School won the Aoun Award (3<sup>rd</sup> prize) organized by Emirates Red Crescent society. Our heartfelt gratitude to all the stakeholders who worked hand in hand to support in this initiative of supporting the under privileged members of the society.

Following that, we are participating in yet another initiative of Red Crescent Society “**Seeker of Knowledge**” which aims at supporting educational programs for families facing financial hardship.

This program aligns perfectly with our commitment to foster a spirit of “Supporting educational advancement”.

For this your ward can donate any amount of money to the class teacher on or before 7.6.2024.

Let’s walk an extra mile to make the underprivileged members of the society happy and successful in their lives.

**Please note – It is not mandatory to participate in this event.**

Regards,

Principal
