**Career Guidance Program for Grades 10 and 11 Students!**

Dear Parents,  
Greetings!

The school is always keen to create avenues for career orientation for students. In this regard, we are going to collaborate with Lifology, a leading service provider in this area. As part of this collaboration, we will be planning the following initiatives over the academic year:

1. Organize Education Fairs
2. One-to-One Comprehensive Counseling
3. Programme Selection Workshops
4. Career Guidance Workshops
5. Lectures by Keynote Speakers
6. Multiple Intelligence/Brain Mapping/Psychometric Tests
7. Academic Portfolio Preparation
8. Introduction to Study Destinations

We are keen to ensure that the program we develop meets the specific needs and aspirations of our students and parents. To achieve this, we would like to conduct a need analysis among both students and parents. Your valuable insights will help us tailor our initiatives effectively. Therefore, we kindly request you to take a moment to fill out the following Google Forms:
