ASSET (Assessment of Scholastic Skills through Educational Testing) for grades 3 to 9

Dear Parent,

The UAE Educational Authorities have mandated Asian curriculum schools to take **ASSET** as the required assessment as per the National Agenda Parameter across the UAE. It has been mandated that all students from grade 3, 4, 5, 6,7, 8 and 9 should participate in the assessment. ASSET is a unique test that checks the depth of students' understanding on every topic.

HOW DOES YOUR CHILD BENEFIT FROM TAKING ASSET?

After the Asset, your child will receive a personalized comprehensive view of his/her performance, in the Student My Book, along with detailed insights on his/her strengths and areas that need improvement. **Your child will also get benchmarked with his/her peers across the country and Internationally, to help them understand where they stand, along with targeted practice questions.**

ASSET papers are designed by subject experts who specialize in designing questions that test understanding of a concept in an interesting manner. This makes the testing experience stress-free and fun for students. **Please note that no prior preparation is required for the test.** Students benefit greatly from the individualized analysis, remedial instructions and questions that they can use to practice at home. The tests will be conducted online and test dates are scheduled from 15th January, 2025.

Preparation for ASSET: Though ASSET is a test that does not require preparation, students may visit www.aqad.in to sign up to receive their grade appropriate questions to familiarise themselves with the type of questions asked in Asset.

From the school we have started with the practice of ASSET Questions through LMS .Kindly encourage your wards to complete the tests on time.

Attendance for ASSET is mandatory.

Regards,

Principal
Ms. Mariyam Nizar Ahamed
