ASSET PREPARATORY TEST - GRADES 3, 5, 7 & 9

Dear Parent

Greetings!

The **ASSET (Assessment of Scholastic Skills through Educational Testing)** is a comprehensive assessment tool designed to evaluate students' skills and knowledge in various subjects, focusing on Mathematics, Science, Reading, and Writing for students of grades 3, 5, 7 and 9 as mandated by MOE.

Habitat School, Al Tallah is pleased to announce the launch of the **ASSET Preparatory Test** for the students of grades 3, 5, 7 and 9. This initiative aims to enhance our students' learning experience and prepare them for the International Benchmarking Assessments.

Every Friday starting from **25.10.2024**, the practice test will be uploaded in the LMS for English, Math and Science on a rotation basis. The test duration will be 20 minutes for 15 questions. Kindly ensure that your ward completes the assessment every week by Saturday. It is mandatory for all the students of the specified grades to attempt the ASSET Practice Test. The test can be assessed in the **LMS** under **My Courses**.

The LMS ASSET Practice Test will provide valuable insights into students' strengths and areas for improvement, fostering a deeper understanding of the subjects covered.

Thank you for your cooperation.

Regards

Principal
Ms. Mariyam Nizar Ahamed
