VISIT TO THE OLD AGE HOME

Dear Parents,

We are pleased to inform you that as part of our ongoing efforts to foster a sense of community service and social responsibility among our students, we have organized an educational visit for the boys' Student Council members and students of Grade 8C to the Sharjah Social Services Department - elderly home, Sharjah on 3rd September 2024 during regular school hours. Students have to come in neat and regular school uniform for the same.

The visit will provide students with an opportunity to interact with the elderly residents, share some moments of joy, and learn the value of compassion and service. We believe this visit will be a valuable experience for our students and will help them appreciate the importance of giving back to the community. Your support and cooperation are greatly appreciated.

Regards

Principal
