Thomas Keller

Dear Parent,

We are thrilled to announce that Habitat Al Tallah will organize a "Junior MasterChef Competition" for KG-1 and KG-2 students.

Objectives of the Competition:

- Encourage students to explore their culinary skills.
- Boost their self-confidence and promote independence in preparing healthy snacks, steering them away from fast food and pre-made options.

Participants will prepare and present a healthy dish and a brief description of their creation.

Winners will be selected by our panel of judges and awarded certificates. The competition will take place on Thursday, September 26, 2024.

Help your child discover their inner "Junior MasterChef"!
