GRADES 1-9 CLASS PARTY (AY 2023-24)

Dear Parent,

“Greetings from Habitat Al Tallah Family”

Kindly be intimated that we are organizing a Class party for our students on Wednesday, 21st February 2024

The aim of the class party is to sensitize the students to count the blessings that our students have experienced in this academic year. They will celebrate differences, cherish diversity and it'll be a great opportunity for them to mingle, interact and experience how a small classroom can become truly global, inclusive and healthy.

Kindly ensure the following:

1. Students must carry healthy home-made food in small quantity. Ordering food from the school, reception, sections and borrowing phones from teachers to order junk food (pizza, burger, carbonated drinks etc...) is not allowed at all.
2. Students should not carry mobile phones or any electronic gadgets for that day. These items are banned as per the guidelines of CBSE and MOE. If cases are reported strict actions will be taken as per Behavior Management Policy
3. Students of all grades can wear modest decent colour dress.

Note: All Grade Students will have study leave on Thursday, 22nd February 2024 before the commencement of SA2 from 23.2.2024, hence need not come to school on Thursday.

Regards

Principal/-

Ms. Mariyam Nizar Ahamed
