### Arabic Learning Platform

Dear Parent,

We are very pleased to inform you that we are going to start Arabic programme for our students, 'I start Arabic' for Non-Arab Students and 'I read Arabic' for Arab students which will help them to develop the Arabic Language skills (Listening, Speaking, Reading and Writing).

Class teachers will provide the Support material, user name and pass word to all the students. As the students will login they have to take up the Baseline test which will determine the current level of the student.

We hereby request you to encourage your wards to complete the courses independently so that they will enhance their skills. Kindly note that the courses will be graded by the teachers.

This programme at school is complementary and there is no extra fee to be paid.

Regards

Principal

Ms Mariyam Nizar Ahamed
