Greetings from the School!

As part of our continued commitment to nurturing values of kindness, empathy, and social responsibility among our students, the school is organizing a **Charity Drive in collaboration with the Red Crescent on Thursday, 12th February**, to support underprivileged and needy families and individuals in our community.

This initiative is **purely voluntary**, and students who wish to participate are welcome to do so. The drive aims to encourage children to share with those in need and to experience the joy and fulfilment that comes from giving.

We kindly request your support in encouraging your child to contribute items as per the **grade-wise details mentioned below**.
