**Parents' Drug Prevention Guide**

Dear Parents,

Greetings!

As part of our ongoing commitment to ensuring a safe and supportive learning environment, we are pleased to share with you the *Parents' Drug Prevention Guide*, received from the Ministry of Education. This guide, available in both Arabic and English, aims to raise awareness and support families in safeguarding children from harmful substances.

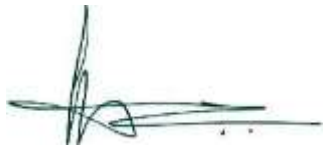

We kindly request you to review the guide carefully and make use of the information provided to promote a safe and healthy lifestyle for our students.

Please access the guide through the links below:
