ASSET PRACTICE TEST - GRADES 3 TO 9

Dear Parent,

Greetings!

The **ASSET (Assessment of Scholastic Skills through Educational Testing)** is a comprehensive assessment tool designed to evaluate students' skills and knowledge in various subjects, focusing on Mathematics, Science, Reading, and Writing for students of grades 3-9 as mandated by MOE.

Habitat School, Al Tallah is pleased to announce that **ASSET Practice Test** for the students of grades 3 to 9 will start from **01.05.2026**. This initiative aims to enhance our students' learning experience and prepare them for the International Benchmarking Assessments.

Every Friday the practice test will be uploaded in the LMS for English, Math and Science on a rotation basis. The test duration will be 20 minutes for 15 questions. Kindly ensure that your ward completes the assessment every week by Sunday. Answer keys will be available every Monday. Subject teachers will clear all the doubts of students during their regular classes. It is mandatory for all the students of the specified grades to attempt the ASSET Practice Test. The test will be assessed in the **LMS** under **Learning Materials(ASSET)**.

The LMS ASSET Practice Test will provide valuable insights into students' strengths and areas for improvement, fostering a deeper understanding of the subjects covered.

Thank you for your cooperation.

Regards,

Principal
Ms. Mariyam Nizar Ahamed
