**Dear Parents,**

We are aware of the communication shared by the Ministry of Education regarding the resumption of onsite learning from Monday 20th April. This is, of course, very welcome news, and we look forward to receiving our children back at school.

Regarding this we have received relevant guidelines from the Ministry. To ensure that we are fully aligned with all guidelines, we are preparing necessary documents to seek approval from authorities before confirming our arrangements and dates of school opening with you.

We will provide a further update to you once we confirm next steps.

In this regard, kindly find below the Parent Survey link, fill in and submit. Your response will allow us to plan better.
