## Reopening Circular - Onsite

**Cir No: HBT ATH/GEN/06/26-27**

**Date:19.04.2026**

Dear Parent,

Greetings. Hope you are doing well and keeping safe.

We are happy to share with you that we will be calling all our staff on 20<sup>th</sup> April 2026 (Monday) to conduct staff training for the safe resumption of classes in line with latest Ministry guidelines on Phased Resumption of Onsite Education. This training is essential to ensure readiness of the campus, classrooms, and all relevant safety protocols.

As staff will be attending scheduled training sessions at school for the day, there will be no live online classes on Monday 20<sup>th</sup> April from Pre KG to Grade 12. Instead, students will receive subject enrichment assignments from teachers which they will be expected to complete for this day.

We would also like to inform you that the school has submitted a detailed plan for the School Opening to the authorities for a staggered, section-wise onsite opening starting 21<sup>st</sup> of April 2026.

We are awaiting Ministry approvals and expect these by Monday 20<sup>th</sup> April and based on approval status we will be updating you at the soonest.

We appreciate your understanding and cooperation as we take these necessary steps to ensure a safe and smooth transition back to school. At Habitat, student safety and safeguarding is our utmost priority and we are working to ensure that all safety and safeguarding provisions are in place as we prepare to welcome students to school.

Regards,

Principal
