BACK TO SCHOOL HEALTH GUIDELINES FROM MOHAP

Dear Parents,

With the return of students to in-person learning after a period of online education, we kindly remind everyone of the importance of following health and safety precautions to maintain a safe school environment for all.

All students, staff, and visitors are requested to follow the recommended preventive measures, including:

- Maintain personal hygiene and wash hands regularly.
- Use hand sanitizer when needed.
- Cover mouth and nose while coughing or sneezing.
- Stay home if feeling unwell and inform the school.
- Keep classrooms and common areas clean.
- Follow all school health and safety instructions.

Please review the attached guidelines carefully and support health awareness activities among students. Thank you for your cooperation and commitment to keeping our school safe and healthy.

Greetings from our school community.
