**LogIQids - Logical Reasoning & Computational Thinking Program 2026–27**

Dear Parents,

Greetings from Habitat School!

We are pleased to inform you that our school will be participating in the **LogIQids Logical Reasoning and Computational Thinking Program for the academic year 2026–27**.

This program is designed to nurture essential 21st-century skills such as logical reasoning, analytical thinking, and problem-solving among students. It aligns well with the growing emphasis on Computational Thinking in school education.

**Program Highlights:**

**Grades - 3 to 9**

**Practice Stage (Free of Cost)**

- Students will receive access to digital, personalized worksheets.
- Self-paced, “do-at-home” format requiring just 10–15 minutes per week.
- Individual student accounts will be created, and login credentials will be shared with parents.
- Worksheets will be accessible from 18th May 2026 through a child-safe, ad-free mobile app or website.

**First Stage Olympiad (Free of Cost)**

- MCQ-based, non-academic aptitude test
- Date: 2<sup>nd</sup> and 3<sup>rd</sup> October 2026 (detailed schedule will be shared later)
- **Participation certificates** will be awarded to all students

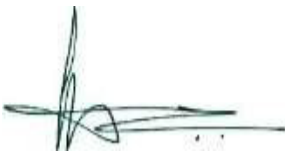

**Final Stage Olympiad (Optional & Chargeable)**

- Open to students who qualify in the First Stage Olympiad
- MCQ-based aptitude test
- Exam Window: **February to March 2027**
- **Trophies, medals, and certificates** for top achievers

Please note that participation in the **Final Stage Olympiad is optional**. Further details regarding registration and login credentials will be shared shortly.

We sincerely appreciate your continued trust and support.

**Regards,**

**Principal**

**Ms. Mariyam Nizar Ahamed**
